CHARITABLE GIFT ANNUITIES

*A FIXED INCOME STREAM FOR LIFE
WHILE GIVING BACK TO THE LORD*

**“But just as you excel in everything... see
that you also excel in this grace of giving.”**

Resources to Fulfill God's Calling*

CHARITABLE GIFT ANNUITIES produce an income stream for retirement and provide much needed funds for the Lord's work

HOW DOES A CHARITABLE GIFT ANNUITY WORK?

A **CHARITABLE GIFT ANNUITY** is a great way to make a gift to Orchard while, at the same time, creating a fixed income stream for life. If you are 65 years of age or older, you simply make a gift of \$10,000 or more in cash or securities in exchange for a non-revocable gift annuity agreement. The payment rate you receive is based on your age(s) at the time you make the gift. You will receive a tax deduction and part of your payments will be tax-free.

EXAMPLE MARRIED COUPLE

John is 83 years old and his wife, Carol, is 78. John and Carol have a desire to create a steady retirement income stream, and they enjoy giving to the Lord's work. After prayerful consideration, they decide to create a \$25,000 gift annuity to benefit Orchard. They will receive a rate of 5.7 percent for the rest of their lives with annual payments of \$1,425. They will also receive a current tax deduction in excess of \$10,500, and about 79 percent of their gift annuity income will be tax-free. John especially likes the idea that if he goes to heaven first, the monthly payments will continue for the remainder of Carol's life.

GENEROSITY**

EXAMPLE SINGLE LADY

Betty is 75 years old and a longtime supporter of Orchard. She wants to create a steady income stream with some of her assets, and she also wants to avoid probate as much as possible. Betty creates a \$50,000 gift annuity and she receives quarterly payments of \$725 for her lifetime. Based on Betty's age, her annuity rate is 5.8 percent and she also gets a charitable tax deduction of about \$22,000. Betty loves knowing that the remainder of her gift annuity will be used by Orchard for the Lord's glory.
