

STEVE HAMMER

**Assistant to the Superintendent
for Church Health**

My role in the North Central District is:

Assisting the District Superintendent, Don Wiggins, especially with smaller works and among churches seeking some measure of redevelopment.

Partnering with my wife, Beth, in discipling pastoral couples so that we lead out of our marriage. Facilitating Natural Church Development as a member of our team.

My family:

Beth and I have been married since 1976.

My son Dan, daughter-in-law Alana & grandson, Isaac, live in Seattle, WA.

My son, Joe, daughter-in-law Diane, & granddaughter, Clara, live in Naples, FL.

When I am not traveling to visit District Churches, my home church is:

[The River Alliance Church](#) in Chaska, MN

Something individuals in our District might not know about me:

My first car (\$60), was a 1946 Chrysler Flathead Six with fluid drive.

What makes me laugh the most?

Passionate sports rants on the Paul Finebaum radio show.

How may I help you?
