

MARV PARKER

**Director for Disciplemaking
Ministries**

My role in the North Central District is:

While currently serving part-time, my role is to encourage, coach and resource our valued licensed workers. I also provide quality training for volunteer lay leaders and teachers.

My family:

My wife, Joyce, and I have two married adult children and eight grandchildren. We returned to Minnesota for our early retirement years to be close to our daughter and the majority of our grandchildren.

When I am not traveling to visit District Churches, my home church is:

[Living Rock Church](#), Norwood Young America, MN

Something individuals in our District might not know about me:

I enjoy following college football and support two teams, win, lose or draw: The Ohio State University Buckeyes (my home state team) and the University of Nebraska Cornhuskers (Joyce's home state team). When they face each other, we pull for the team with the most to gain that given year.

What makes me laugh the most?

While I am a bit more serious countenance type of guy, I do enjoy a good laugh from unique and funny play on words and/or a good clean joke or prank.

How may I help you?
