

DEBRA PETERSEN

Administrative Assistant

My role in the North Central District is:

To answer the phones and greet all who come into our District Office. I assist Doug Parkinson with District service needs and I assist Dave Manske in regard to church multiplication, as well as organizing the Annual Missions Conferences.

About me:

I am an Italian from New York, and lived in the Chicago and Detroit areas before coming to small-town Minnesota 😊. I've enjoyed ministering with my husband through the years, as youth leaders, pastoring churches in Michigan and then enjoying Crown College students as he teaches in the Bible, Theology and Ministry Studies department. We have four children. Our son, Aaron, daughter-in-law, Nikki, and two precious grandsons live in Mountain Lake, MN. Lauren and her husband, Jeff, live in Portland, OR. Danielle lives in Minneapolis and Abigail attends Crown College. Any time spent with our children and grandchildren brings me much joy.

How may I help you?
