

Traditional Format

When a church selects the Traditional Format, then the North Central District schedules an IW speaker for the church. They must be prepared to house, provide meals, and schedule speaking opportunities for their IW for **one week** at any time in the year if there are IWs around that are free to tour.

If the church cannot do this, we urge them to please choose the Freedom Format. But if there is an IW couple that is touring together, it is possible for two churches to share the IW for half a week each.

Freedom Format

When a church selects the Freedom Format, they are in charge of making their own arrangements directly with the **Alliance** IW(s) to speak at the church at a mutually agreed upon time at any time of the year. The Freedom church is responsible to cover all financial expenses, including travel.

A list of available speakers will be given upon request.
