

Current IWs Available to Speak 2018-2019

Hi "Freedom" Churches!

You chose the "Freedom Format" for your Missions Festival this year, which means you will be booking your own IW to speak for you.

Here are the available "active" Missions Speakers for Missions 2018-2019:

- Tim Iverson, Church Planter in Taiwan.
- Penny Iverson (wife of Tim), Church Planter in Taiwan.
- Al & Carol Clason, from our International Church in Paris, France.
- Scott Wiggins, who with his wife, Katie, and family, has been in a CAC (Closed Access Country), but for family health reasons, will be in the States for another year.

Bio pages and pictures are available. On the bio page are their email addresses and their physical location while in the U.S.

Note: Tim and Penny Iverson are willing to speak separately in different Churches, but have only one vehicle while here, so transportation may be up to your Church if you book one of them alone.

Al and Carol Clason are also willing to speak separately at different Churches. They too have only one vehicle.

There is no photo or bio for Scott Wiggins due to his CAC status.
