

IN BIBLE TIMES PEOPLE OFTEN GAVE LIVESTOCK

In today's world, it's more common to give appreciated stock and get a double tax benefit. You not only avoid capital gains tax, but if you itemize you can receive a charitable deduction. When Christians give to their church and favorite ministries, most of us simply give cash from our income. However this may not be the best plan of stewardship. Typically about 90% of our wealth is not in cash and the government provides tax incentives to encourage us to look beyond cash for our giving. It's good stewardship for Christians to make use of these incentives to be able to give more to the Lord's work.

Giving stock is easy!

Our church has partnered with The Orchard Foundation, a subsidiary of The Alliance, to serve you. The Orchard Foundation will process your stock gift, on the church's behalf. Simply contact them using the information below and they will provide you with the necessary instructions for your broker and answer any questions you may have.
