

# DON WIGGINS

District Superintendent

## **My role in the North Central District is:**

*District Superintendent, which means I have been entrusted by my ministry peers with spiritual oversight of the 98 churches of the district. I also work with a great staff of co-workers who love Jesus, His Church, and empowering spiritual leaders.*

## **My family:**

*My lovely wife of 45 years is Linda. We have 5 married children and 16 grandkids. All our kids are walking with the Lord, and each is involved with their spouse in vocational ministry .*

## **When I am not traveling to visit District Churches, my home church is:**

*[Living Rock Church \(C&MA\)](#) in Norwood, Minnesota. We only get to attend 5 or 6 times a year, but love the pastors and people. It was a church plant when we arrived nearly 10 years ago. Since then, it has purchased property & paid that off. We continue to meet in a school while planning for our first building.*

## **Something individuals in our District might not know about me:**

*I have traveled to all 50 states. Alaska was the last & the most wildly beautiful.*

## **What makes me laugh the most?**

*Cartoons & comics, stupid puns, & any loss by the Green Bay Packers!*

## **How may I help you?**
